MAGNUM

WATERPROOF. BREATHABLE MEMBRANE

The Dri-Tec membrane gives you superior waterproofing and excellent vapour transmission to maximise your performance in even the wettest of environments. Millions of microscopic pores in the Dri-Tec membrane allow water vapour to escape without allowing water droplets in, keeping feet dry and comfortable.

100% WATERPROOF

STEEL TOE CAPS

Safety footwear has a protective toe cap for an important reason—to provide adequate protection against injury. Our steel toe caps are a broad fitting 200 joule impact resistant Type 1 steel toe cap. Steel is the safest toe cap material available, providing the highest levels of resistance in constructed footwear against rolling side compression and cut resistance.

Lightweight, steel toe cap & scuff cap. Four layers of bliss from the CushionCore technology.
